YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 The name does the talking.

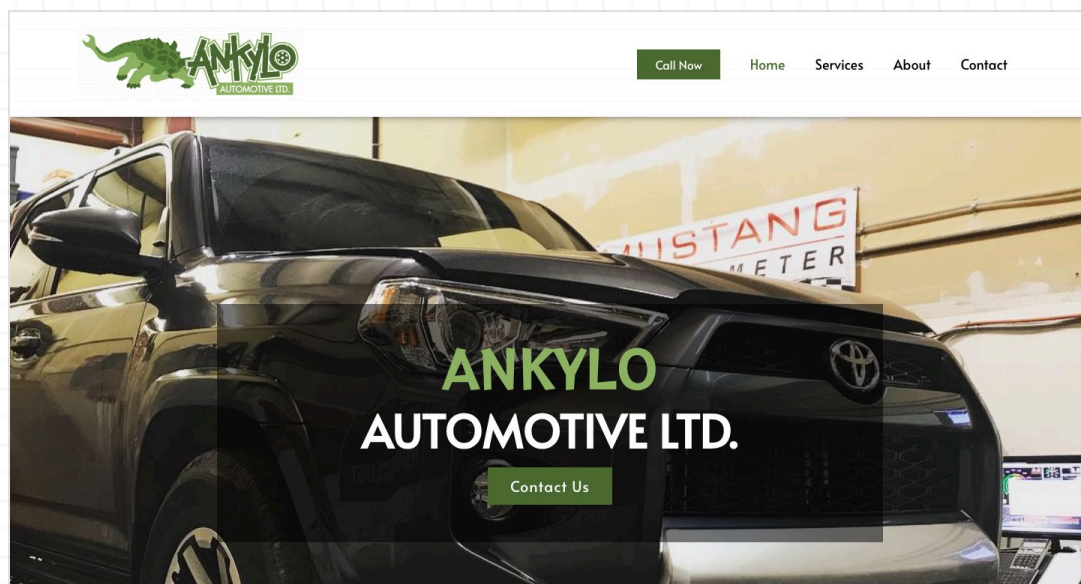

Ankylo is an armoured dinosaur, and your site already has the toy and the keytag to prove it. Field guide pins your proof to it, and Kyle walks your logo's wrench-tailed dinosaur across the page. Nobody else in Red Deer can use it.

02 You talk to Kyle.

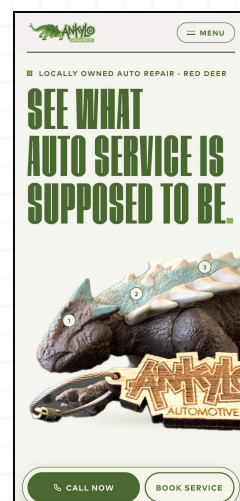

Your About page promises you will always speak directly with Kyle, and your reviews say he phones before he starts and shows you what can wait. Today that's a paragraph down the page. Here it's the headline, a review on the first screen, or the light you move across the truck.

03 Every page ends at a call.

Services, about, your reviews and how to find the shop on 71 Street. Each page ends with 403-896-2800 one tap away and booking a service one click away.
